

Water

Point group C_{2v}

4 symmetry operations

Open in UIL and click an operation to play it.

Ammonia

Point group C_{3v}

6 symmetry operations

Open in UIL and click an operation to play it.

Boron trifluoride

Point group D_{3h}

12 symmetry operations

Open in UIL and click an operation to play it.

Ethylene

Point group D_{2h}

8 symmetry operations

Open in UIL and click an operation to play it.

Methane

Point group T_d

24 symmetry operations

Open in UIL and click an operation to play it.
